RENAULT TRUCKS T X-ROAD

A robust tractor designed and developed for maximum traction and mobility with an off-road mode and differential lock to tackle the most challenging constraints of your business activity.

For your demanding operations, buy a lot more than a used truck, choose a Renault Trucks T X-ROAD.

RENAULT TRUCKS T SELECTION

A quality used truck, checked and prepared according to the manufacturer strict standards and upgraded with the latest technologies.

For your next challenge, buy a lot more than a used truck, choose a Renault Trucks T SELECTION.

RENAULT TRUCKS T P-ROAD

A multipurpose rigid truck (with tailor made body), transformed and equipped with new chassis frames in the Renault Trucks Factory.

For your daily operations, buy a lot more than a used truck, choose a Renault Trucks T P-ROAD.

WHY CHOOSE USED TRUCKS BY RENAULT TRUCKS?

QUALITY

MANUFACTURER STANDARDS

- We secure the origin, the age and the mileage of your truck thanks to the manufacturer documentation.
- We review each vehicle via a 200 point inspection including technical and cosmetic elements with no compromise on quality.
- We refurbish them with genuine parts and we strictly apply the manufacturer processes and standards.

MANUFACTURER WARRANTY

- We guarantee with the Selection label the key components (driveline + post-treatment system) of your vehicle up to 2 years or 320,000 kms.
- You also benefit from a 2 years warranty for each spare part fitted at our dealership.
- The warranty management is fully integrated in the Renault Trucks systems.

TAILOR MADE SOLUTIONS

LARGE CHOICE

- We give you access to a large choice of vehicles, including some unique tailor-made offers from our Used Trucks Factory to fit your business and your needs.
- Our engineers have designed tailor-made used vehicles, selected, tested, transformed and certified in the Renault Trucks Factory.
- We provide you a large range of accessories to optimize your performance, the safety, the driver's life on board and even more !

ADDED VALUE SERVICES

- We offer you a variety of services in order to optimize your profit and to secure long term performance of your investment.
- We provide you fuel consumption's information and services for concrete fuel savings.
- We deliver tailor-made financial and insurance services to fit your business needs, and get your used truck quickly on the road.
- Our service & repair contracts have been designed to deliver peace of mind.

TRUST

CLOSE RELATIONSHIP

- We know you and we know your business.
- We offer you the right solution and we help you to keep your business running.
- We care for you and for your vehicle wherever you are with the 24/7 support.
- We are committed to your success, and we will never let you down.

PROFESSIONAL PEOPLE

- The Renault Trucks network is composed of experts, trained and equipped with state of the art materials to deliver the right and efficient support.
- We recognize your vehicle in any of our 1100 service points with its detailed specifications, including the potential upgrades, transformations or warranty.
